The author(s) agree that the papers to be published in *AgroLife Scientific Journal* are original, and that:

- all statements asserted as facts are based on author(s) careful investigation and research for accuracy;
- the manuscript does not, in whole or in part, infringe any copyright or violate any law of privacy or other personal or property right whatsoever;
- it has not been published elsewhere in total or in part and it is not being submitted and/or considered for publication in total or in part elsewhere;
- the author(s) has full authority to enter into this copyright agreement and to make the grants contained herein.
- In reading this form, each author acknowledges that he/she participated in the work in a substantive way and is prepared to take public responsibility for the work.
- the author(s) confirm that any aspect of the work covered in this manuscript that has involved either experimental animals or human subjects has been conducted with the ethical approval of all relevant bodies and that such approvals are acknowledged within the manuscript.
- the author(s), in consideration of the acceptance of the work submitted for publication, does hereby assign to *AgroLife Scientific Journal* copyright ownership of the submitted papers in its current form and in any subsequently revised form for publication and/or electronic dissemination.
- papers in *AgroLife Scientific Journal* are published under the Open-Access Policy and are distributed under the terms and conditions of the Creative Commons Attribution (CC BY) License, and authors retain ownership of the copyright for their content, but allow anyone to distribute, remix, tweak and build upon the content as long as the original authors and source are cited.
